460,000 00

50,000 00

1 To the army estimate of yesterday, subaistence is calculated for 12 000 instead of 1200 non-com missioned officers, and the expense. Se charging the whole to the rank and file of the army, would amount to 322 50 instead of 821 50 per man as stared in the article above referred to.

Whatever appropriations are re-ized beyond the estimate must applied to pay off the arrealages of the war, or for future prepara-tions, wholly dational and of ge-neral importance.

The impracticability of keeping the military establishment constant-ly up to the authorised force will probably reduce the annual expenditures of the army to about
